

# Help to Health

Volunteer Patient Transport

## Volunteer drivers needed! Help your local NHS in County Durham

Are you reliable, friendly, enjoy helping people and have your own car?

Are you looking to get involved in your local community and give something back?

By volunteering you'd make a real contribution to supporting your local NHS

- ▶ Every day Help To Health volunteer driving service transports between 60-80 patients who need assistance getting to their healthcare appointments
- ▶ Demand is increasing and we need volunteer car drivers now more than ever
- ▶ Volunteering just one hour a month will make a difference to a patient and help our NHS heroes

Help To Health supports our regional ambulance service by transporting patients to:

- ▶ All NHS hospital and community hospital sites
- ▶ County Durham GP practices, pharmacies and dentists
- ▶ Help To Health does not provide transport for non-medical purposes

### Could you become a volunteer driver in County Durham?

Volunteer drivers are reimbursed mileage costs as per the HMRC set rate.
